

**THE MOUNT ZION CAMPUS COMMITTEE AND  
UCSF PainCARE, IN COLLABORATION WITH  
THE UCSF FRESNO OFFICE OF CME, PRESENT  
A UCSF CHALLENGES OF MANAGING PAIN SYMPOSIUM**

# Addiction Issues in Pain Management: From Opium to Buprenorphine

**Howard Kornfeld, MD**

**Assistant Clinical Professor, UCSF School of Medicine and Lecturer  
and Consultant, UCSF Pain Management Center Fellowship Program**

**CME and CE Credit:** The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF School of Medicine designates this educational activity for a maximum of **1.0 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME. CME is accepted by the California Board of Psychology for psychologists. Psychologists are responsible for reporting their own activities to the California Psychological Association Accrediting Agency. These activities also meet the qualifications on an hour-for-hour basis of continuing education credit for MFTs and/or LCSWs as required by the California Board of Behavioral Sciences (Approval #PCE1272). For information, contact Carrie Louie: [carrielouie@ucsfmedctr.org](mailto:carrielouie@ucsfmedctr.org); (415) 885-7451. Or see our web site: [http://mountzion.ucsfmedicalcenter.org/pain\\_management/rounds.html](http://mountzion.ucsfmedicalcenter.org/pain_management/rounds.html)

**Purpose:** At the close of this activity, participants should be able to:

- Discuss the history and role of opiates and controlled substances in pain management and addiction;
- Review current practices involving full and partial opiate agonists, including morphine, methadone, buprenorphine and others, and discuss their potential use in treating pain, addiction, and other conditions;
- Evaluate emerging perspectives and treatments for various conditions related to chronic pain, such as mood and sleep disorders.

**Commercial Support:** This CME activity is supported in part by educational grants from: Endo Pharmaceuticals, Élan Pharmaceuticals, Inc., Eli Lilly and Company, Cephalon, and the Mount Zion Health Fund.

**Exhibitors (Partial List):** Endo Pharmaceuticals, Élan Pharmaceuticals, Inc., Reckitt Benckiser, UCSF PainCARE.

**Faculty Disclosures:** All conflicts of interest have been resolved in accordance with the ACCME's Standards for Commercial Support. Drs. Pearl, Palmer, and Kornfeld have indicated that neither they nor their immediate families have relationships with the manufacturers of any commercial products that may be discussed in this activity. Dr. Kornfeld may discuss investigational or off-label use of pharmaceutical products or medical devices during this event. He will advise learners verbally if and when such indications are being presented.

**Thursday, June 7, 2007**
